六、请阅读下面的短文，按要求完成所给任务。

10. What do you dream of doing in the future? We did a survey about jobs that students are going to do when they grow up. 500 students at the Hill School gave their answers. Here are the results.

35% of the students hope to be famous stars. Some of them like music, so they want to be musicians. Some like sports, so they would like to be basketball or football players.

25% of the students are going to be IT engineers. They think the job must become more and more popular. Why? Because the computer and the Internet are changing our life and making our life easier. People can do lots of things on the computer with the Internet, such as shopping and communicating with others.

20% of them hope to be scientists 他们决定要尽最大的努力去学习. They want to make our country stronger and better.

Fifty of the students plan to start their own business (商业机构) Then they can have more time to do what they want to do. And maybe they will make much money one day.

For the students, there are other jobs such as doctors, teachers and drivers to choose. The last students want to choose them.

It's great and important to have a dream. Remember to hold on your dream. One day it may
