三、阅读理解 (每小题 2 分, 共 30 分)

12. QQ is one of the most popular chat tools among teenagers. We regard it as an important chat tool in our daily life because it has some advantages.

First, we can make lots of e-friends on QQ. It is easy to find the person who has the same interest as us, and we can talk with him or her happily. Second, we can also join a QQ group to find the information we need. For example, if we want to learn English well, we can choose a group with many English lovers in it. Third, we can also play games with our friends on QQ and always have fun.

QQ brings us a lot of benefits (益处), but it can also cause some problems. It's dangerous to tell strangers on QQ our real personal information like telephone number, address and ID number. If we spend too much time chatting online, it won't be good for our study and health.

14. If a snake bites you, take a photo with your mobile phone! It save your life. This is the surprising advice of a British cook. One day Henry Jackson was working in a restaurant kitchen. He picked up a dish from a table, and suddenly a snake appeared and bit him on the hand. A few days earlier, the snake came to the restaurant from Asia in a box of bananas. It climbed out of the box and hid under the dish. "I tried to pick it up and it bit me. I threw it away, but it landed in the fridge. So I closed the door." Jackson said. Anyway, Jackson was cool and he took a photo of the snake with his mobile phone. Soon his hand began to ache and he went to hospital. Then his chest began to hurt. Doctors couldn't say what was wrong because they didn't know what kind of snake it was.
