五、Choose the best answer.

35. In almost every big university in the United States, football is one of the most popular sports. Football in America is often called rugby(橄榄球).

Players sometimes kick the ball, but they also throw the ball and run with it. They try to take it to the other end of the field; they have four chances (机会) to move the ball ten yards (码). They can carry it or throw it. If they move it to the end of the field, they get six points. This is called a touch - down(持球触地).

It's difficult to move the ball. Eleven men on the team try to stop the man who has the ball. If the man does not move the ball ten yards, his team kicks the ball to the other team.

Thousands of people come to watch. They all yell for their favourite team. They dance and jump while they yell. Each team plays ten or eleven games each season. The season begins in September and ends in November. If a team is very good, it may play another game after the season ends. The best teams play again on January 1st. Many people go to see these games and many others watch them on TV.
