Week 1 — This week, my family tried to use less electricity (电). We turned off lights when no one was in the room. We turned off the TV when nobody was watching it. Mum only used cold water in the washing machine.

Week 2 — We started recycling (回收利用) this week. Mum kept the plastic (塑料的) shopping bags from the supermarket to use again. It is a good way to help our environment.

Week 3 — We had short showers. Mum and Dad used less water when they made tea. My sister and I didn't leave the water running when we brushed our teeth.

Week 4 — Usually my mum drove my sister and me to school. This week we started riding our bikes to school. It's different but good exercise! Dad and a few of the people he works with also started to carpool this week — they drove only one of their own cars together to work. It was cool!
