四、任务型阅读。

15. The Joy (乐趣) of Reading

I really enjoy reading when I have free time: One reason I love reading is that I can visit other countries by reading about others' travel stories. My favorite travel book tells about a trip to Europe. The writer writes about walking through beautiful buildings in Italy and climbing the Eiffel Tower in Paris in it.

Another reason I love to read is that it helps me. When I meet difficulties, I can read a story about someone who gets over a similar difficulty. When I'm sad, I can read a funny story that makes me laugh. Reading can give me hope and make me strong.

The main reason I enjoy reading is that I can travel in time and space. I can travel to the past and watch Leonardo da Vinci paint the Mona Lisa. I can have dinner with Queen Victoria.
