二、阅读理解.

3. In China, most students go to school by bike or by bus. If the school is not far, they usually walk to school every day. Do you know some other ways to go to school?

In many Western countries(西方国家), students live far from their schools and they have different ways to get to school. Many students go to school by car. If there is a subway in the city, they can go by subway. In some countries, there are double - deckers(双层公共汽车). The double - decker has two floors and it can carry more people. So some students can take a double - decker to school. Many students like scooters(踏板车) in some Western countries. If you don't want to take a bus to school, you can go by scooter. It makes your trip more interesting and exciting. In some cold countries, such as Finland and Iceland, it often snows. The students in villages far from the school have to go by sledge(雪橇) because there is snow everywhere. It takes a long time. Sometimes, the students may be late for school.

- (1) Students in China can go to school _____ if they live near the school.
A. by bike B. on foot C. by bus D. by subway
- (2) In this passage, we can find _____ ways to go to school.
