1. Should friends be different or the same? We asked three people about their ideas. Here are their answers.

 James Green n	I like to have friends who are like me. I'm quieter than most of the kids in my class, and my best friend Yuan Li is quiet, too. There are some differences between us, though. I'm smarter than Yuan Li. She's stronger than me.
 Huang Lei	It's not necessary to be the same. I like to have friends who are different from me. My best friend Leo is taller and more outgoing than me. We both like sports, but Leo is more <u>athletic</u> than me. He always beats me in tennis.
