三、阅读理解。阅读 A、B、C 三篇材料，然后从各小题所给的四个选项中选出最佳选项。

12. How many birthdays do you have every year? Most of you just have one, right? Well, the Queen (女王) of England is different. She has different time birthdays a year — the real birthday and the official (官方的) birthday.

Her real birthday is on April 21. On her birthday, she has a big dinner at home, and then she takes a photo with her family. After that, she reads the letters people write to her.

In England, there's always a parade (游行) for the Queen's birthday. This big outdoor parade first started in 1748. But in April, the weather in England is very rainy and cold. So in 1905, the Queen had her second birthday in June because the weather's nice. And the Queen wanted it to be on a Saturday. That's because it's easy for everyone to join the parade. And this year, her official birthday is on June 11.

(1) How many birthdays are the queen of England?

A. One.

B. Two.

C. Three.

D. I don't know.

(2) The parade first started in _____.

A. 1748

B. 1928

C. 1905

D. 1990

14. Do you hope to do a lot of homework every evening? Are you interested in your English class? Who do you want to teach you? Maybe you have lots of problems before school starts. Well. I want to give you some good advice on these problems.
- First, keep calm. Don't worry about all the problems you have. Put your heart into learning, and you can find something you are interested in.
- Second, try your best to finish your homework quickly. Don't spend a lot of time on it. Do more reading and writing in English. Don't stay up late, or you can't study well the next day.
- Third, create new ways instead of copying or repeating. If you can remember the words in your way, you can tell your teacher you don't like the way of copying them again and again. If you are sure you can pass tests and exams easily. I think your teacher will agree with you and give you some interesting work to do.
- School is really a good place for us to learn in. Believe in your teacher and yourself. You are the best one and you can do everything well.
- (1) How many pieces of advice does the writer give us?
A. Three. B. Four. C. Five. D. Six.
- (2) What's the writer's advice on students' homework?

 - B. school is a good place for us to play with our friends
 - C. school is a good place for us to learn in
 - D. all above are not right

四、任务型阅读。阅读短文，并按要求完成 1-5 题。

15. American boys and girls love watching television. Some children will spend six hours a day at school , then spend another four to six hours in front of the television set. ①Some even watch television for eight hours or more on Saturdays.

TV shows are like books for films. A child can learn both bad things and good things from them. ②Some programs can help children better understand the world. Others introduce them to people and places from other countries or other times in history. With TV, a child doesn't have to go to the zoo to see animals or to the oceans to see a ship. Boys and girls can see plays, concerts or games at home.

Television brings many places and events into our homes. Some programs show other things that children shouldn't watch, so parents need to help their kids find other things to do.

(1)题为完成句子; (2)题完成句子, 并与原文划线①句句意一致; (3)题简略回答问题; (4)题找出并写下第一段主题句; (5)题将文中划线②句翻译成汉语.
