- (5) Where do Robert and Sam usually go on Sundays?
A. Go to the park. B. Go to the supermarket. C. Go to the zoo.
D. Go to the bookstore.

3. American schools begin in September after a long summer holiday. There are two terms in a school year. The first term is from September to January, and the second term is from February to June. Most American children begin to go to school when they're five years old. Most students are seventeen or eighteen years old when they finish high school.

High school students take only five or six subjects each term. They usually go to the same classes every day, and they have homework for every class. After class, they do a lot of interesting things.

After high school, many students go to college (大学). They usually have to pay a lot of money. So, many college students work after class to get money for their studies.

根据短文内容, 选择最佳答案.

- (1) In America, summer holidays begin in _____.
A. February B. May C. July D. September
- (2) Most American children go to school at the age of _____.
A. five B. seven C. eighteen D. seventeen
- (3) High school students _____ after class.
A. do housework B. go to work C. play baseball D. do interesting things
- (4) In order to (为了) _____, many American college students work after class.
A. help their parents B. get money for their studies C. help others
D. learn some useful things
- (5) After high school, many students go to _____.
A. cities B. work C. college D. towns

4. An old man and a young man are walking in the park. The young man is behind the old man. (1)_____ The young man is very glad when he sees the bench. He wants to sit on the bench and have a short rest. (2)_____ He sees the old man walking up to it, too. (3)_____ Now he is in front of the old man. The old man says, (4)_____ But the young man doesn't listen to him. He sits on it. (5)_____ The old man comes over to him with a sign in his hand. It says, "Wet Paint."

扫码查看解析
