16. From: Studio Classroom

Horses are strong and beautiful animals. Some are large, and others are small. Horses can travel long distances while carrying a rider. Some can also pull heavy loads. Before people had cars, they used to use horses for travel and work. Today you don't see many horses. But people still keep them and ride them for fun.

To ride a horse, approach it at its shoulder. Then it can see you. Don't stand behind the horse because it might kick you. Clean the horse's feet to remove any rocks. Then brush the horse so it isn't dirty. If a horse's back is dirty, a saddle can bother it. Next put a pad and a saddle on the horse's back. Finally the horse is ready to ride.

(1) Why don't people use horses as much now?

- A. We don't like horses anymore.    B. We have newer ways to travel.
