三、阅读理解。

3. If you have problems with your homework, who can you get help from?

Teachers are important persons for you. They can give you some useful ideas about the ways to do the homework. So when you meet some problems, please ask them for help.

Many places have after-school care for children. Homework help is part of it. There, you can get some help from adults and other children as well.

You can also use the Internet to visit online homework help sites. These sites can give you much help. But sometimes you just copy (抄写) the right answer from a site. It isn't right. So knowing how to use information right is necessary.

Another choice is a tutor. The tutor can spend time going over schoolwork with you, but you should pay for him or her. If the price is high, you can share a tutor with a small group of children.

- (1) Why are teachers important to you?
A. They can show you right answers. B. They can teach you to use the computer.
C. They can give you some useful ideas. D. They can take good care of you.
- (2) The passage gives _____ ways to help with the homework.
